Item 4. Description of Securities.

The following description of the 2005 Executive Stock Unit Program, amended and restated, effective December 31, 2012 ("ESU Program") and the ESU Program Deferred Compensation Obligations ("ESUP Obligations") registered hereunder are qualified by reference to the ESU Program filed February 28, 2013 as Exhibit 10.16 to the Company's Form 10-K.

ESUP Deferred Compensation Obligations.

General. Under the ESU Program, established pursuant to the Company's Flexible Stock Plan, the Company will provide a select group of management and/or highly compensated employees the opportunity to make pre-tax deferrals above certain thresholds of a specified percentage of their cash compensation. The ESU Program is a non-qualified deferred compensation plan. The Company is obligated to pay the ESUP Obligations to participants in the future in accordance with the terms of the ESU Program.

The ESUP Obligations consist of (a) Diversified Investment Accounts (the value of which will mirror certain investment media selected by the participant); and (b) Stock Accounts (consisting of Company Stock Units convertible into shares of Company Common Stock, par value \$.01 per share, on a one-to-one basis). The ESUP Obligations will be general unsecured obligations of the Company and will rank equally with other unsecured and unsubordinated indebtedness of the Company outstanding from time to time. The Company is under no obligation to fully fund the ESUP Obligations.

An employee's right to the ESUP Obligations cannot be transferred, assigned or otherwise encumbered. The ESUP Obligations may not be seized by any creditor of the participant or his designated beneficiary, or transferred by operation of law in the event of bankruptcy, insolvency or death. However, the ESUP Obligations may be transferred to a designated beneficiary or personal representative upon death.

ESUP Obligations will be distributed to participants after retirement, death, disability or termination of the participant in accordance with the ESU Program. Participants may elect to receive payment all at once or in annual installments for up to 15 years. Upon settlement of the ESUP Obligations, the Company may withhold Common Stock or cash, whichever is applicable, in an amount required to satisfy applicable tax laws. The Flexible Stock Plan Committee may authorize the immediate distribution of the ESUP Obligations in the event of an Unforeseeable Emergency, as defined in the ESU Program, as permitted by Section 409A of the Internal Revenue Code. In addition, the Committee may terminate and liquidate the ESU Program within 30 days preceding, or 12 months after, a Change in Control, as defined in the ESU Program.

The ESUP Obligations are not subject to redemption, in whole or in part, prior to distribution through operation of a mandatory or optional sinking fund or analogous provision. However, the Company reserves the right to amend or terminate the ESU Program at any time, except that no such amendment or termination may adversely affect the right of the participant to distribution of the ESUP Obligations previously credited to his accounts.

ESUP Obligation – Diversified Investment Accounts. Participant contributions, through payroll deduction of up to 10% of cash compensation, will be credited to a Diversified Investment Account established for the participant. The Company will make premium contributions to the Diversified Investment Accounts equal to 17.65% of the participant's contribution.

The Diversified Investment Account balance will vest at the time the participant would have been entitled to receive the cash compensation but for the election to defer.

A participant's Diversified Investment Account balance will be adjusted to mirror the investment experience, whether positive or negative, of the diversified investment media selected by the participant. Participants may change investment elections in the Diversified Investment Accounts, but cannot purchase Company Common Stock or Stock Units in these accounts. The Diversified Investment Accounts consist of various mutual funds and retirement target funds.

The Diversified Investment Account balance will be settled in cash.

ESUP Obligation – Stock Accounts. The Company makes a 50% matching contribution of participant contributions at the same time those participant's contributions are made, and, if certain earnings objectives are met, makes an additional matching contribution, up to 50% of participant contributions, to acquire Company Stock Units at a 15% discount to market. The Company will also make a dividend equivalent contribution to acquire Company Stock Units at a 15% discount to market at the time Company dividends on its Common Stock, if any, are paid.

A Stock Unit is the award of a right to receive the market value of one share of Common Stock. A participant will have no rights as a shareholder with respect to the Stock Units until the underlying shares are issued to him. In the event of a stock dividend, stock split, merger, consolidation or other recapitalization of the Company affecting the number of outstanding shares of Company Common Stock, the number of Stock Units will be appropriately adjusted.

If a participant has a separation of service, as defined in the ESU Program, and has less than five years of vesting service, he forfeits Stock Units credited to his account resulting from Company contributions.

The Company intends to settle all Stock Units in Company Common Stock on a one-to-one basis (less required withholding tax), but has discretion to settle Stock Units in cash.

Stock Units in the ESU Program may not be diversified.

Common Stock

The Common Stock of the Company is registered under Section 12(b) of the Exchange Act and, accordingly, no description is provided hereunder.

Item 5. Interests of Named Experts and Counsel.

John G. Moore, Senior Vice President – Chief Legal & HR Officer and Secretary of the Company, has rendered an opinion as to the legality of the Company's ESUP Obligations, including Stock Units and Common Stock being registered hereby. Mr. Moore is paid a salary and bonus by the Company, participates in certain of the Company's employee benefit plans, owns shares of Company Common Stock, and owns options to acquire, and units convertible into, shares of Company Common Stock.

Item 6. Indemnification of Directors and Officers.

The Company is a Missouri corporation. Sections 351.355(1) and (2) of The General and Business Corporation Law of the State of Missouri ("GBCL") provide that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful, except that, in the case of an action or suit by or in the right of the corporation, no person shall be indemnified as to any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation, unless and only to the extent that the court in which the action or suit was brought determines upon application that such person is fairly and reasonably entitled to indemnity for proper expenses.

Section 351.355(3) of the GBCL provides that, except as otherwise provided in the corporation's articles of incorporation or the bylaws, to the extent a director, officer, employee or agent of the corporation has been successful in the defense of any such action, suit or proceeding or any claim, issue or matter therein, he or she shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred in connection with such action, suit or proceeding.

Section 351.355(5) of the GBCL provides that expenses incurred in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of the action, suit, or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the corporation as authorized in this section.

Section 351.355(7) of the GBCL provides that a corporation may provide additional indemnification to any person indemnifiable under subsection (1) or (2), provided such additional indemnification is authorized by the corporation's articles of incorporation or an amendment thereto or by a shareholder-approved bylaw or agreement, provided further that no person shall thereby be indemnified against conduct which was finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct.

Section 351.355(8) of the GBCL provides that a corporation may purchase and maintain insurance or another arrangement on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability under the provisions of that section. The insurance or other arrangement, including a trust fund, self-insurance, letters of credit, guaranty or security arrangement, may be procured within the corporation or with any insurer or other person deemed appropriate by the board of directors. That section also provides that in the absence of fraud the judgment of the board of directors as to the terms and conditions of the insurance or other arrangement and the identity of the insurer or other person participating in an arrangement shall be conclusive and the insurance or arrangement shall not be voidable and shall not subject the directors approving the insurance or arrangement to liability on any ground regardless of whether directors participating in the approval are beneficiaries of the insurance arrangement.

The Company's restated articles of incorporation, as amended, and bylaws generally provide that each person who was or is a director or officer of the corporation shall be indemnified by the corporation as a matter of right to the fullest extent permitted or authorized by applicable law and as otherwise provided in its restated articles of incorporation. For this purpose, "applicable law" generally means Section 351.355 of the GBCL, including any amendments since May 7, 1986, but only to the extent such amendment permits the corporation to provide broader indemnification rights. The Company's bylaws also provide that each person who was or is an employee or agent of the corporation, or who was or is serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership or other enterprise may, at the discretion of the board of directors, be indemnified by the corporation to the same extent as provided in the bylaws for directors and officers. The Company's restated articles of incorporation also provide that the indemnification and other rights provided by the restated articles of incorporation will not be deemed exclusive of any other rights to which a director or officer may be entitled under any by-law, agreement, vote of shareholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in any other capacity while holding the office of director or officer, and the corporation is specifically authorized to provide such indemnification and other rights by any by-law, agreement, vote of shareholders or disinterested directors or otherwise. The Company has a similar provision in its bylaws.

The Company's restated articles of incorporation provide that expenses incurred by any person who was or is a director or officer in defending generally any proceeding (including those by or in the right of the Company) shall be promptly advanced by the Company when so requested at any time, but only if the requesting person delivers to the Company an undertaking to repay to the Company all amounts so advanced if it should ultimately be determined that the requesting person is not entitled to be indemnified under the Company's restated articles of incorporation, bylaws, state law or otherwise. The Company has a similar provision in its bylaws.

In addition, the Company has entered into indemnification agreements, approved by its shareholders, with its directors and executive officers. Pursuant to those agreements, the Company has agreed to indemnify and hold harmless each indemnitee to the fullest extent permitted or authorized by applicable law. For this purpose, "applicable law" generally means Section 351.355 of the GBCL, including any amendments since May 7, 1986, but only to the extent such amendment permits the corporation to provide broader indemnification rights. In addition, the Company has agreed to further indemnify and hold harmless each such party who was or is a party or is threatened to be made party to any proceeding, including any proceeding by or in the right of the Company, by reason of the fact that the indemnitee is or was a director, officer, employee or agent of the Company, or is or was serving at the request or on the behalf of the Company as a director, officer, employee or agent of another enterprise or by reason of anything done or not done by him or her in any such capacities. However, under these agreements, the Company will not provide indemnification: (i) for amounts indemnified by the Company outside of the agreement or paid pursuant to insurance; (ii) in respect of remuneration paid to indemnitee if determined finally that such remuneration was in violation of law; (iii) on account of any suit for any accounting of profits pursuant to Section 16(b) of the Securities Exchange Act of 1934 or similar provisions of any federal, state or local law; (iv) on account of indemnitee's conduct which is finally adjudged to have been knowingly fraudulent, deliberately dishonest or willful misconduct; or (v) if a final adjudication shall determine that such indemnification is not lawful.

The Company's restated articles of incorporation provide that the corporation may purchase and maintain insurance on behalf of any person who was or is a director, officer, employee or agent of the corporation, or was or is serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership or other enterprise against any liability asserted against or incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify such

person against such liability. The Company insures its directors and officers against certain liabilities and has insurance against certain payments which it may be obliged to make to such persons under the indemnification provisions of its restated articles of incorporation. This insurance may provide broader coverage for such individuals than may be required by the provisions of the restated articles of incorporation.

The foregoing represents a summary of the general effect of the indemnification provisions of the GBCL, the restated articles of incorporation, as amended, the bylaws and such agreements and insurance. Additional information regarding indemnification of directors and officers can be found in Section 351.355 of the GBCL, the restated articles of incorporation, as amended, the bylaws and any pertinent agreements.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
- (i) To include any prospectus required by Section 10(a) (3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a) (1) (i) and (a) (1) (ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

[Letterhead of Leggett & Platt, Incorporated]

March 6, 2014

Board of Directors
Leggett & Platt, Incorporated

Ladies and Gentlemen:

I am Senior Vice President – Chief Legal & HR Officer and Secretary of Leggett & Platt, Incorporated, a Missouri corporation (the “Company”), and in such capacity I am familiar with the Registration Statement on Form S-8 (the “Registration Statement”) to be filed under the Securities Act of 1933, as amended (the “Securities Act”), to register \$15,000,000 of Deferred Compensation Obligations under the 2005 Executive Stock Unit Program, amended and restated, effective December 31, 2012 (“ESU Program”) (consisting of general unsecured obligations of the Company to pay the balance of Diversified Investment Accounts and Stock Accounts in accordance with the ESU Program); Stock Units credited to the Stock Accounts; and Shares of the Company’s Common Stock, par value \$0.01 per share into which the Stock Units are convertible: all to be issued pursuant to the ESU Program.

In connection with the preparation of the Registration Statement, I have examined originals or copies, certified or otherwise, identified to my satisfaction, of such documents, corporate records, certificates of public officials and other instruments as I deemed necessary or appropriate for the purposes of the opinion expressed herein. I have assumed for purposes of this opinion the genuineness of all signatures on all documents examined by me, the authenticity of all documents submitted to me as originals, and the conformity to authentic originals of all documents submitted to me as certified or copies. I have also assumed the due authorization, execution and delivery of all documents.

On the basis of the foregoing and in reliance thereon and upon my review of applicable statutes and case law, I am of the opinion that when the Registration Statement, including any amendments thereto, shall have become effective under the Securities Act, and when any applicable provisions of “Blue Sky” and other state securities laws have been complied with, and the Deferred Compensation Obligations and Stock Units shall have been granted and the Shares shall have been issued in accordance with the terms of the ESU Program, then (i) the Deferred Compensation Obligations and Stock Units will be legally valid and binding obligations of the Company, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors’ rights generally, or general principles of equity, including, without limitation, concepts of reasonableness, materiality, good faith and fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies, regardless of whether enforceability is considered in a proceeding at law or in equity, and to the extent indemnification provisions contained in such documents, if any, may be limited by applicable federal or state law and consideration of public policy, and (ii) the Shares will be legally issued, fully paid and non-assessable.

This opinion is not rendered with respect to any laws other than the laws of the State of Missouri, and I assume no responsibility as to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction.

I consent to the filing of this opinion as an exhibit to the Registration Statement. I also consent to your filing copies of this opinion as an exhibit to the Registration Statement with such agencies of such states as you deem necessary in the course of complying with the laws of such states regarding the Deferred Compensation Obligations, Stock Units and Shares. In giving this consent, I do not admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission.

Yours truly,
